

United States District Court

Eastern District of Tennessee

Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the Court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

You must allow the probation officer to install computer monitoring software on any computer (as defined in 18 U.S.C. § 1030(e)(1)) you use.

To ensure compliance with the computer monitoring condition, you must allow the probation officer to conduct initial and periodic unannounced searches of any computers (as defined in 18 U.S.C. § 1030(e)(1)) subject to computer monitoring. These searches will be conducted to determine whether the computer contains any prohibited data prior to installation of the monitoring software, whether the monitoring software is functioning effectively after its installation, and whether there have been attempts to circumvent the monitoring software after its installation. You must warn any other people who use these computers that the computers may be subject to searches pursuant to this condition.

You must not utilize or maintain any memberships or accounts of any social networking website or websites that allow minor children membership, a profile, an account, or webpage without approval of the probation office. This includes websites that explicitly prohibit access or use by sex offenders.
